10	Illustrations of Herbs/ Plants	72
11	Description of Herbs/ Plants	222
12	Index: Preparation of Remedies	254
13	Details of Remedy Preparations	264
14	Author and His Connection With Herbal Medicines	400
15	Yet Unknown Property of Matter	403
16	References	409

Index:

Preparation of Remedies

Paediatric Disorders

1.	Ascariasis (Round worm)	265
2.	Nonspecific Blood Dysentery	265
6.	Anal sore	266
7.	Constipation in Suckling Baby	267
8.	Constipation in Children	267
9.	Stomachache in Children	267
10.	Cough in Suckling Baby	267
12.	Dry Cough	268
13.	Enuresis (Bed-wetting)	268
16.	Febrile Convulsion	269
18.	Hepatomegaly (Liver Enlargement)	271
19.	Poly Urea (Frequent Urination)	271
20.	Retention of Urine	271
22.	Nonspecific Sleeplessness	272
23.	Susceptibility to Cold	273
24.	Protection Against Cold	273
25.	Teething Problem	273
26.	Teething Problem With Greenish Fluid Stool	274
27.	Threadworm/ Pinworm	274
28.	Umbilicus Infection	274
29.	Whooping Cough	274

Female Disorders

30.	Absence of Menstruation after Attaining Normal Age of Puberty	275
	Dysfunctional Uterine Bleeding (D.U.B.)	
31.	D.U.B. Abnormal Vaginal Bleeding and Consequent Vaginal Sore	275
33.	D.U.B. Abnormal Vaginal Bleeding at Tender Age	275

Index: Preparation of Remedies **255**

34.	D.U.B. Abnormal Vaginal Bleeding at Age Nearing Menopause	276
38.	Disruption in Menstruation	276
39.	Excessive Menstruation	277
40.	Frequent Irregular Menstruation at Times Disrupted for Even Three Months	277
42.	Menopausal Amenorrhoea (Premature Absence of Menses Even Without Pregnancy)	277
43.	Unexpected and Excessive Menstruation	278
44.	Untimely Menstruation With Blackish or Clotted Blood Accompanied by Acute Pain	278
45.	Irregular Menstruation	278
48.	Painful, Stinking, Excessive or Scanty Menses	279
49.	Premature Absence of Menstruation With History of Excessive Uterine Bleeding	279
50.	Premature Menstruation	279
51.	Scanty Menstruation	280
53.	Scanty, Irregular and Blackish Menses	280
54.	Regular Delay in Commencement of Menses	280
55.	Spasmodic Dysmenorrhoea (Scanty Menses With Acute Abdominal Pain)	281
59.	Dysmenorrhoea Pain (Frothy, Painful and Scanty Menstruation)	282
62.	Foul-smelling Mucous Type Menses	283
63.	Irregularity in Urination During Menstrual Periods	283
64.	Leucorrhoea	283
70.	Leucorrhoea/ Menorrhagia	285
73.	Pain Vaginal	286
74.	Pain During Coitus	286
75.	Habitual Abortion	287
78.	Habitual Still Birth	287
79.	Vomiting During Pregnancy	288
81.	Weakness During pregnancy	288
82.	Stomachache During Pregnancy	288
83.	Constipation During Pregnancy	289
84.	Inducing Timely Delivery After Labour Pain	289
85.	Primary Infertility	289
86.	Obstruction of Placenta	290

256 Gorkha and Other Ethnic Herbal Medicines

87.	Tricomonosis (Inflamed Uthera and Vaginal Mucous Membrane)	290
88.	Vaginitis and Vaginal Itching	290
91.	Vaginal Ulceration (Ulcer at Vagina Caused by Acute Leucorrhoea)	291
93.	General Weakness	292
94.	Mastitis or Breast Abscess	292
95.	Bustline Enhancement	292

Male Disorders

98.	Cloudy Urination	294
99.	Enlargement of Prostate Gland	294
100.	General Debility	294
101.	Hydrocele	294
102.	Nocturnal Emission/ Involuntary Spermatorrhoea	295
106.	Spermatorrhoea/ Heperspermatorrhoea (Involuntary discharge of Semen)	295
110.	Premature Ejaculation	296
114.	Male Sterility	297
115.	Premature Impotency	297
118.	Secretion of Prostate Gland	298

Common Disorders

Blood

120.	Anemia	299
125.	Diabetes	300
130.	Eosinophilia	301
131.	Filaria	302
136.	Haematomesis (Blood Vomiting Except by TB)	303

Cardiac

143. Sporadic Pain at Heart	306
144. Unspecific Palpitation of Heart	306
145. Heart Palpitation Caused by Acidity	306
146. Heart Palpitation Caused by Shooting Blood Pressure	307
147. Heart Palpitation accompanied by Constant Thirst and Gas in the Belly	307
148. Palpitation of Heart With Joint Pain, Fever, Cold, etc.	307
149. Heart Weakness Followed by Swollen Feet	308
150. Unspecific Weakness of Heart	308

Ear

151. Hard Dry Ear Wax	309
154. Infection Outside the Ear	310
155. Earache	310
160. Otitis	311

Eye

162. Bloodshot Eye With Developing Cataract	312
163. Chilly Particle in the Eye	312
164. Deteriorating Eyesight	312
165. Night Blindness	312
168. Inflation of Conjunctiva/ Bloodshot Eyes	313

Fever

170. Management of Unspecific Pyrexia (Common Fever)	314
174. Management of High Fever	314
176. Delirious Fever	315
177. Malarial Fever	315
179. Malarial Fever With Bile Vomiting	315
180. Cerebral Malaria	315
181. Persistent Mild Fever	316

258 Gorkha and Other Ethnic Herbal Medicines

182. Influenza 316

Hair

184. Alopecia (Loss of Hair on the Head) 317

186. Dandruff 317

Headache

188. Giddiness 318

189. Headache Caused by Acidity or Gas 318

190. Headache With Pain in the Eye (Conjunctivitis) 318

191. Common Headache Caused by
Congestion of Nose/ Nasal Allergy 318

192. Hemicranias (One Sided Headache) 319

194. Unspecific Headache 319

Joint (Locomotor)

195. Joint Pain 320

196. Rheumatism 320

Liver

201. Cirrhosis of Liver 322

202. Cirrhosis of Liver Caused by Excessive
Alcohol Consumption 322

203. Jaundice 322

212. Liver Pain and Enlargement 324

Limb

217. Feverish With Burning Sensation of Limbs 326

219. Burning Sensation of Sole of Feet 326

220. Cramp in Feet 326

Nasal

221. Nasal Allergy Causing Incessant Sneezing	327
223. Nasal Allergy Causing Cold, Running Nose and Even Bleeding	327
226. Sinusitis	328
228. Unspecific Nasal Allergy	328

Neurological

230. Epilepsy (in early stage)	330
234. Painful and Tingling Nerve	331
238. Parkinsonism/ Tremor of Hands	332
239. Sciatica and Varicose Vein	332
247. Tremor Accompanied by Loss of Memory	333
248. Weakness of Nerve	333

Piles

252. Piles	336
255. Piles Following Asthma or Eczema or Both	336
256. Intermittent Hardened Stool Accompanied With Intermittent Bleeding Per Rectum	337
257. Piles With Constipation	337
266. Anal Fissure	339
272. Dry Piles	340
273. Fissure Accompanied by Constipation	340
274. Prolapse Piles	340
275. Piles with Burning Sensation at the Anus	341
277. Proctitis (Dry and Painful piles)	341
278. Piles Caused Ulcer at the Anus	341

Respiratory Tract

279. Asthma	343
282. Persistent Cough	343
285. Chronic Bronchitis	344

260 Gorkha and Other Ethnic Herbal Medicines

Sexual

288. Gonorrhoea	346
294. Syphilis	347
296. Enhancement of Sperm Count	347
297. Aphrodisiac	348

Skin

300. Allergy of Skin (Urticaria)	349
305. Boil	350
307. Cellulitis	350
308. Eczema	350
313. Chaloma/ Facial Pigmentation	351
314. Itching	352
316. Itching of Palm and Finger Tips and Peeling	353
317. Dhobi's Itch	353
318. Itching of Vagina or Penis	353
319. Itching Caused by Insect Bite	353
320. Body Itching and Ring Worm	354
322. Cracked Heels	354
325. Cut Injury, Minor First Aid for	355
326. Cut Wounds	355
329. Burn	356
330. Elephantiasis	356
331. Injury Marks	356
332. Pimples	357
333. Ring Worm	357
338. Tick	358
339. Tinea Versicolor	359
341. Wart/ Cyst	359
346. Ulcer Persistent	360
348. Common Ulcer	360
349. Ulcer Rotting	360
350. Septic Ulcer	361
351. Chronic Ulcer With Puss	361

352. Ulcer Between Fingers	361
----------------------------	-----

Stomach

353. Acidity	362
355. Colitis	363
356. Loss of Appetite	363
357. Diarrhoea	363
364. Loose Stool with Blood and Mucus	364
370. Hardened Stool	365
372. Unspecific Dysentery	365
373. Unspecific Blood Dysentery	366
378. Dyspepsia	366
385. Indigestion	368
389. Stomachache by Gas/ Acidity	368
391. Stomachache by Worm/ Gas/ Indigestion or Colitis	369
392. Regular Gas Formation After Food Consumption	369
393. Gas Formation Aggravated at Night	369
395. Irritable Bowel Syndrome (Frequent Loose Motion With Mucus)	370
398 Regular Abdominal Pain	370
399. Perennial Abdominal Pain	371
400. Mild to Moderate Common Abdominal Pain	371
401. Mucus in Stool	371
403. Threadworm/ Pinworm	372
417. Round Worm	374
420. Tape Worm	375

Oral

421. Pyorrhoea	376
425. Toothache	377
430. Toothache With Cavity	378

Urological

431. Urinary Track Calculus	379
-----------------------------	-----

262 Gorkha and Other Ethnic Herbal Medicines

433. Urinary Bladder Calculus	379
434. Enuresis/ Incontinence of Urine	380
437. Non-specific Retention of Urine	380
438. Retention of Urine	381
441. Strangury (Poor Stream of Urine) Caused by Enlargement of Prostate Gland	382
442. Strangury Caused by Obesity	382
443. Polyuria (Excessive Secretion of Urine)	383
446. Frequent but Scanty Urination at Old Age	383
449. Strangury (Slow and Painful Urination) caused by Urinary Tract Stone	384
452. Unspecific Strangury	384
453. Dysuria (Painful or Difficult Urination)	385
456. Whitish Urine Like Phlegm	385
457. Whitish and Very Stinky Urine	385
458. Bloody Urine With Burning Sensation	386
459. Blood in Urine ((Hematuria)	386
461. Unspecific Stoppage of Urination	386
465. Urination With Burning Sensation	387
469. Urinary Tract Infection	387
470. Stoppage of Urination in Human or Animals	388
473. Swelling of Body in Absence of Urination	388
474. Swelling (Dropsy)	389
477. Swelling of Feet	389
479. Kidney or Spleen Enlargement	390
480. Ascites	391

Vomiting

481. Unspecified Vomiting	392
482. Nausea/ Regular Vomiting Tendency	392
483. Bile Vomiting	393

Miscellaneous

485. Mumps	394
486. Mouth and Throat Ulcer	394

Index: Preparation of Remedies **263**

488. Hiccough	395
491. Dozing	395
492. Insomnia	395
493. Low Blood Pressure	396
494. Pneumonia	396
495. Unspecific Body Ache	396
497. Pain at the Spleen	396
498. Failing Memory	397
500. Giddiness in Old Age	397
501. Nettle Sting	397
502. Scorpion Sting	397
507. Snakebite	398
508. Burn Injury	398
511. Tetanus	399
512. Bedbug Repellant	399
